### Testimonials

I just wanted to thank you so much for all your help... I really appreciate you taking the time out to help me in my time of need! I was at the point of just giving up because of my living situation and not continue on with school! Just to know that there are still few people who care and take their job serious means the world to me!

I'm forever thankful....

Sincerely

E ☺

With your help assisting my student in my MAT course she was able to get an extension and instead of failing the course due to many missed assignments and no communication, she received a passing grade as of today.

Thanks for assisting her through the Women's Center.

### Our Mission

The mission of Roanoke Chowan Community College Women's Center is to empower women in order to pursue and achieve both their academic and personal goals as well as overcome barriers by prevention, education, and volunteerism.

### Volunteer Opportunities

**Office Support:** Answer the telephone, greet individuals who come into the office, and other duties as necessary.

**Advisory Council:** A team made up of stakeholders in Hertford County who come together to improve the quality of life response and assessment of child, youth, and adult victims of domestic violence and sexual assault in the community. We will also increase the safety and well-being of individuals in the community, increase awareness, and prevent first time perpetration of sexual assault and domestic violence.

**Giving Opportunities:** Unused and unopened personal and feminine hygiene items (e.g. sanitary products, shampoo, toothpaste, etc.) are needed and will be given to individuals and families who must relocate to a safe house or shelter.

**Financial Gifts:** You can also help offset some of our operational costs and the cost of client expenses by giving a monetary donation. All donations are tax deductible.
