

POLICIES OF THE
BOARD OF TRUSTEES

2.7	Responsibilities of Instructional Personnel	1 of 1
NUMBER	TITLE	PAGE

- (1) Realizing that faculty are specialists in various fields and, therefore, perform diverse duties in relation to their specialties, the Board authorizes the President to develop general and specific duties which each faculty member is expected to fulfill.

- (2) Responsibility for the overall quality of educational programs resides with the Dean of Academic Affairs with the faculty being held responsible for ensuring the quality of instructional delivery. The extent of the participation and jurisdiction of the faculty in academic affairs must be clearly set forth and published in the faculty handbook.
