

One Stop Enrollment Sessions 2008

The Division of Student Development Services at Roanoke-Chowan Community College will be offering a series of **One-Stop** enrollment sessions for new students planning to enroll in classes for Fall Semester 2008. The **One-Stop** sessions are designed to allow new students the opportunity to complete the entire enrollment process in one visit to the College.

Through the **One-Stop** sessions, new students will attend an orientation session to learn important information relating to the College's programs and services, complete placement testing, and meet with a counselor to register for fall classes. All sessions are scheduled to allow a student to complete the process within three hours from start to finish.

New students are encouraged to complete an RCCC Admission Application and submit their official high school transcript prior to attending a **One Stop** session. If prior course work has been completed at another institution, official college transcripts are also needed prior to attending a session to allow for transfer credit evaluation.
