

Advanced Manufacturing Institute

Jobs are available in Advanced Manufacturing in northeastern North Carolina. The Advanced Manufacturing Institute will prepare students for a career in the manufacturing sector. Participants will be exposed to typical problems and challenges encountered in a modern manufacturing environment and gain first-hand experience in addressing them.

The following courses are offered:

Schedule:

September 20-October 25, 2021

Mondays 6-10:00 p.m.

Hybrid

Introduction to Manufacturing (15 Hours)

General OSHA 10 Safety (12 hours)
