2020-2021 Verification Worksheet Independent Student-Tracking Group V1

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified

1. TAX RETURN FILER

Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate income tax returns for 2018 or had a change in marital status after the end of the 2018 tax year on December 31, 2018.

Instructions: Complete this section if the student and spouse filed or will file a 2018 income tax return(s). The best way to verify income is by using the IRS Data Retrieval Too l (IRS DRT) that is part of FAFSA on the Web FAFSA.gov. In most cases, no further documentation is needed to verify 2018 income information that was transferred in to the student's FAFSA using the IRS DRT if that information was not changed.

In most cases, for electronic tax return filers, 2018 IRS income tax information for the IRS DRT is available within 2-3 weeks after the 2018 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2018 paper IRS tax returns, the 2018 IRS income tax return information is available for the IRS DRT within 8-11 weeks after the 2018 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT. Check the box that applies:

The student has used the IRS Data Retrieval Tool in FAFSA on the Web to transfer 2018 IRS income information into the student's FAFSA.

The student has not yet used the IRS Data Retrieval Tool, but will use the tool to transfer 2018 IRS income information into the student's FAFSA once the student 2018 IRS tax return has been filed.

The student is unable or chooses not to use the IRS Data Retrieval Tool, and instead will provide the school a copy of the 2018 IRS tax return transcript(s).

To obtain an IRS tax return transcript, go to www.IRS.gov and click on the "Get Transcript for Your Tax Records" link, or call 1-800-908-9946. Make sure to request the "IRS tax return transcript" and not the "IRS tax account transcript." You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2018 IRS tax return was filed). You can also use the paper form, IRS Form 4506T-EZ or IRS Form 4506T. If you prefer the school to receive the tax transcript on your behalf, you may enter the school information in Section 5 of the form. In most cases, for electronic tax return filers, 2018 IRS income tax information for the IRS DRT is available within 2-3 weeks after the 2018 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2018 paper IRS tax returns, the 2018 IRS income tax return information is available for the IRS DRT within 8-11 weeks after the 2018 paper IRS income tax return has been received by the IRS.

If the student and spouse filed separate 2018 IRS income tax returns, 2018 IRS Tax Return Transcripts must be provided for both.

Check here if an IRS tax return transcript(s) is attached to this worksheet.

Check here if IRS tax return transcript(s) will be submitted to the student's school later. Verification cannot be completed until the IRS tax return transcript(s) has been submitted to the student's school.

This includes a Tax Return Transcript or a Tax Account Transcript that includes a message such as "no record of return filed or "no transcript on file".

The student and/or student's spouse was employed in 2018 and has listed below the names of all the student's and/or student's spouse employers, the amount earned from each employer in 2018, and whether an IRS W-2 form is attached.
