TRIO, Student Support Services

Student Support Services is a program dedicated to creating opportunities for students to realize their academic potential. Our goal is to provide equitable access for underrepresented students to higher education.

What Does Student Support Services DO?

All Student Support Services (SSS) projects must provide: academic tutoring, which may include instruction in reading, writing, study skills, mathematics, science, and other subjects; advice and assistance in postsecondary course selection, assist student with information on both the full range of student financial aid programs, benefits and resources for locating public and private scholarships; and assistance in completing financial aid applications. Education or counseling services designed to improve the financial and economic literacy and assist students in applying for admission to graduate and professional programs; and assist students enrolled in two--year institutions and applying for admission to, and obtaining financial assistance for enrollment in four--year programs.
