Providing academic and cultural enrichment opportunities to help students successfully complete their associate degree and explore future possibilities.

Our goal is to help you reach yours!

What is TRIO-Student Support Services?

Student Support Services is a program dedicated to creating opportunities for students to realize their academic potential. Our goal is to provide equitable access for underrepresented students to higher education.

Who Can Participate?

Are you a U.S. Citizen or permanent resident And AT LEAST ONE of the following:

- ✓ 1st Generation student
- ✓ Low-income
- ✓ Physically/Learning Disabled

What does Student Support Services Do?

All Student Support Services (SSS) projects must provide the following:

- Individualized Guidance: Education or counseling services designed to improve financial and economic literacy and assist students in applying for admission to graduate and professional programs.
- Tutoring: which may include instruction in reading, writing, study skills, mathematics, science, and other subjects; advice and assistance in postsecondary course selection.
- Workshops: Informational sessions offered on time management, note taking, resume writing, and other life skills.
- Financial Literacy: assist students with information on both the full range of student financial aid programs, benefits, and resources for locating public and private scholarships.
- Career and Academic Guidance: Academic mentoring including career and educational planning, graduate school tours, career development assistance and resume building.
- **Resources:** Access to computers, calculators, textbooks, reference materials and works pace.
- Campus Connections: assist students enrolled in two-•year institutions and applying for admission to and obtaining financial assistance for enrollment in four•-year programs.

All Student Support Services are <u>FREE</u> to students selected to participate.

TRIO Works!

- For the past five years more than 90% of TRIO-SSS participants have stayed in good academic standing.
- In addition, in 2020, over 70% of TRIO-SSS participants persisted to the next semester.
